

**Class of 2012: College Application Deadlines for Florida Public Universities
Pay attention to college application deadlines and submit applications
early!**

Use on-line applications at the individual college website for best results. With your personal log-on information, you may start and save college applications until you are ready to submit. Don't forget to request and send your high school transcripts and send your SAT/ACT scores to the college you are applying to. Transcripts forms are located in the guidance office. Go to your College Board/ACT account to officially send your test scores. Don't assume anything! Always check your admission status to be sure the college admission office has everything they need to make an admission decision. Visit Mrs. Smolka in the BRACE office if you have additional questions. Application fee waivers are available for students who qualify.
